Midterm Exam Grade 2

The purpose of this mid-term exam is for the school to understand how well and how much the material is being used by students and teachers. Having this information will be valuable in planning next year's material and curriculum.

Note to Teacher/Examiner: Please read the instruction carefully. Some portion of the test requires the examiner to read aloud a certain part, while others require students to read by themselves. It is very important that these procedures be followed strictly.
